Born: Thursday, February 26, 1948

Died: Monday, March 19, 2012

On March 19th, my dear and devoted husband, Mark T. Senna, age 64, passed away at home.

He was the son of the late William and Constance Senna.

Mark is survived by his son, U.S.C.G. Chief Mark T. Senna and his daughter in law, Lucia Senna and their son Mark T. Senna III. He is also survived by many nieces and nephews and his older brother, Billy Senna and sister, Beverley. He was also the brother to the late Lloyd and Teddy Senna.

His interests included family, friends, gardening, watching the Patriots with his son, and spending time with his grandson who was near and dear to his heart. My husband was an Army veteran and spent many years driving big rigs, most recently for Building 19. He will be greatly missed by me, his loving wife, Nancy Angelini, and all that loved him.
